

# Pool Procedures & Rules

Thousand Oaks Townhouse Association (TOTA)

For any questions regarding these procedures and rules, please contact the TOTA Board.

- Pool hours are 11:30 AM to 8:00 PM, daily. While school is in session, the hours are 4:00 PM to 8:00 PM Monday through Friday [with early openings on Thursday at 2:00PM] and normal hours on the weekend.
- A valid, current pool pass is required for entry. Proof of residency is NOT considered a valid pool pass. Delinquent TOTA dues will result in an invalid pool pass. TOTA dues must be paid to our management firm, MJF Associates, [10692 Crestwood Drive, Manassas VA 20109-3432]. Dues CANNOT be paid at the pool or to any Board Member.
- Each resident is responsible for their own pool pass. These will be handed in when you enter the pool. Please remember to get your pool pass back when you leave the pool. Replacement pool passes will cost \$5.00 each, and made at the convenience of the Pool Committee.
- Guest passes are available for \$2.00 each per day, or \$5.00 for a weekly pass. Season 'Daycare' passes are available at the rate of \$40.00 each, per child, for daycare providers who are residents of TOTA and have a valid pool pass. All guests must be accompanied by an adult resident with a valid pool pass.
- Children 12 and under must be accompanied by someone 16 or older, who has a valid pool pass. Children between the ages of 12-15 must pass a swim test, given by the lifeguards, in order to swim unaccompanied. Parent/Guardian and child will be required to sign a Code of Conduct. Children who pass the test may be unaccompanied for 2 hours, no more, per day. At two (2) hours they will be asked to leave, the lifeguards are not daycare providers.
- Non-swimming children requiring flotation devices must be accompanied in the water by an adult [16 yrs. and older] and that adult must remain within an arm's length of the child! Failure to comply may result in suspension of pool privileges.
- Admission to the pool will be refused to anyone having any skin disease, sores, inflamed eyes, nasal or ear discharge, bandages or any communicable disease as outlined by the County Health Codes.
- All persons must wear proper bathing suits and shower before entering the pool, according to the County Health Laws.
- Running, rough play, foul language, spitting, chewing gum, pets, alcoholic beverages and glass containers are not allowed at the pool. Anyone misbehaving will be asked to leave.
- The wading pool is reserved for children aged six (6) and under, who are supervised by an adult at all times. Cloth diapers with tight fitting rubber pants are the best for the pool, because disposable diapers tend to clog the filtration system.

- At the Lifeguards discretion, rafts will be allowed on Wednesdays from 3:00PM to closing.
- Diving board rules: Only one (1) person on the board at a time. No exceptions! No excessive bouncing. Diving area must be cleared before the next person gets on the board.
- Rest Periods of 15 minutes will be scheduled every hour. Adults, 16 and older, may use the pool during the rest period. Non-swimming children under 3 may be in the pool with the parent/guardian during the break. All other children must be out of the pool during breaks.
- Safety and Health are our foremost concerns. The pool rules may be amended as necessary. Any changes will be posted at the pool. Please behave in a safe and conscientious manner and respect the lifeguards and their requests at all times. They are working for the safety of all.
- The Lifeguards have the final say in enforcing the TOTA Pool Rules.
